

Mission 10 Winning Patch 5-12
Chloe Williams, iLEAD Lancaster

Mission 10 Winning Patch K-4
Lily Curial, SCVI

This is ground control to all learners...

You are invited to participate in

iLEAD Student Aerospace Projects

DreamUp Mission Patch Design Competition

Time to put your design helmets on because the two winning patches will accompany our experiments on board the ISS!

Two separate competitions: K-4 & 5-and Up • Due date: February 23, 2018

Mission Details:

Designs can be hand-drawn or digital art and printed on paper. Patch should be no bigger than 3.5-inches x 3.5-inches

**The mission patch should include the words
iLEAD, DreamUp and Mission 2018**

Designs should be full color!

Each site will submit their winning designs which will then be submitted to professional designers who will choose our top two patch designs

See your facilitator for more information or email kathleen.fredette@ileadschools.org
